

Leading Blindmate Microwave Contact Technology

NOTICE!

The cable assembly procedure for this item changed and affects all product shipped from the factory after 7/1/23. This change includes the **cable strip dimensions and crimp tooling**. A copy of the new cable assembly procedure can be found in the “Assembly Procedure” listed in this same **Product Documents** section.

Please contact our sales team at Sales@PhoenixofChicago.com or 1-800-323-9562 for assistance with tooling or if you require the cable assembly instructions for product shipped from the factory prior to 7/1/23.

Thank you.
