

Leading Blindmate Microwave Contact Technology

NOTICE!

The cable assembly procedure for this item changed and affects all product shipped from the factory after 7/1/23. This change includes the **cable strip dimensions and crimp tooling**. A copy of the new cable assembly procedure is attached.

Please contact our sales team at Sales@PhoenixofChicago.com or 1-800-323-9562 for assistance with tooling or if you require the cable assembly instructions for product shipped from the factory prior to 7/1/23.

Technical questions can be directed to our Sales Application Engineer, Cory Clark, at cclark@phoenixofchicago.com or on his direct line at 475-212-3409.

Thank you.
